

# QUALITY REVIEW

## About us

We offer expert quality improvement services through our sister company ALIN. The range of these services have been developed as a result of extensive experience as inspectors and our continuous detailed analysis of inspection reports. Our aim is to provide clients with a customised service tailored to meet your individual needs and support you in continuing to improve the quality of your provision.

Our highly specialised team will provide you with invaluable assessments of the quality and effectiveness of key aspects of your provision. This will help you to make the best use of your investment in quality improvement activities, support your development of an effective quality improvement plan and prepare you for external audit/inspection.

Through deep dive methodology our team will work with you to identify the current quality of leadership and management, the quality of education, training and the short and longer term outcomes achieved by learners, with findings compiled into a confidential written report providing detailed recommendations.

## How it works

**Our highly experienced team will use a ‘deep-dive’ approach to assess the:**

1. Quality of education – including:
  - a) Intent
  - b) Implementation
  - c) Impact
2. Behaviours and attitudes of learners
3. Personal development of learners
4. Leadership & management of the provision; including, safeguarding arrangements.

**They may suggest a range of approaches to suit your needs. For example, following an Ofsted ‘Deep-dive’ model of:**

- a) investigations of the experiences and outcomes by particular groups of learners (i.e. 16-19, LAC, LLDD, 50+, ex-offenders ....)
- b) thematic reviews of specific programmes and academic levels (i.e all level 2 or all hospitality programmes)
- c) examining specific themes across a number of programmes ( i.e Careers advice and guidance, safeguarding, learners progress)
- d) analysis of under-performing areas or programmes

Our expert team will visit you and help to define the types and range of evidence that will allow them to make a robust assessment of your provision. They will clearly communicate areas of strength and potential areas for improvement. They will compile their findings in a confidential written report providing detailed recommendations as to what you might need to do to improve further the quality of your provision.
