

# BESPOKE CPD

## About us

We offer expert quality improvement services through our sister company ALIN. The range of these services have been developed as a result of extensive experience as inspectors and our continuous detailed analysis of inspection reports. Our aim is to provide clients with a customised service tailored to meet your individual needs and support you in continuing to improve the quality of your provision.

Tailored training and coaching services delivered remote or on-site to meet individual needs. All CPD is planned with senior managers to ensure the content, delivery style, pace and tone maximises impact of all training.

Our highly specialised team will provide you with invaluable insights and coaching on the planning, and provision of highly effective teaching and learning support. This will help you to make the best use of your training budget and support the development of highly-skilled and effective teaching and training staff.

## Duration

Delivery ranges from a 2-3 hour interactive webinars to multiple onsite days, and we will work with you to ensure your desired outcomes are met.

## How it works

As recognised specifically in the EIF, high-quality CPD is a key driver for improving provision. Linked to quality assurance, staff appraisals, and observations of teaching and learning, our bespoke CPD will be designed to meet your needs.

**Training is delivered remotely or on-site , to suit your needs, and may include (but not limited to)**

- Inspection awareness - For nominees, leaders and managers
- Pedagogy - improving pedagogical approach to teaching, learning and assessment
- Curriculum planning - from starting point to end point
- English and Maths - in the context of life and work
- Governance self-evaluation
- Evaluating progress from starting points
- Observations of teaching, learning, assessment, and other key aspects of delivery
- Planning effective careers advice and guidance
- Use of management information
- High expectations for learners - through improved target setting and monitoring
- Please contact us to discuss your particular needs as this is not an exhaustive list.
